Practice Description

Brian concentrates his practice on products liability, with an emphasis on pharmaceuticals, medical devices, toxic substances, and industrial products. He has extensive experience in litigation management, document management, and electronic discovery, particularly in complex, multi-district, and mass tort litigation. His practice also includes toxic torts, insurance, casualty, professional liability, business, and commercial litigation. Brian's Martindale-Hubbell rating is AV®. In addition, Brian serves as the firm's managing member.

Activities, Affiliations, and Accomplishments

Brian is a member of the American Bar Association, Louisiana State Bar Association and its House of Delegates, New Orleans Bar Association and its Board of Directors, Federal Bar Association, Defense Research Institute and its Drug & Medical Device Committee, Louisiana Association of Defense Counsel, and New Orleans Association of Defense Counsel. He is the President-Elect of the New Orleans Bar Association. Brian is admitted to practice before all Louisiana state courts, the United States Court of Appeals for the Fifth Circuit, and the United States District Courts for the Eastern, Middle, and Western Districts of Louisiana.

Brian is also a member of the American Inns of Court (New Orleans Bar Association chapter), and is a member of the Board of Directors and Executive Committee of the Louisiana Children's Museum.

Education

Brian received his B.S. (1984) from Louisiana State University, where he majored in Accounting. He is a certified CPA and practiced before attending law school. He received his J.D. (1989) from Loyola University School of Law.

Honors

Brian was listed by New Orleans Magazine as one of the Top Lawyers in the New Orleans area in 2009, based on his work in the fields of Litigation, Products Liability, and Drug & Medical Device Litigation.

*CV, BV, and AV are registered certification marks of Reed Elsevier Properties Inc., used in accordance with the Martindale-Hubbell certification procedures, standards, and policies.
