Practice Description

Cami practices in the areas of products liability, pharmaceutical and medical device litigation, and insurance defense.

Activities, Affiliations, and Accomplishments

Cami is a member of the Federal Bar Association, Louisiana State Bar Association, New Orleans Bar Association, and Defense Research Institute. She is also a volunteer member of the New Orleans Young Leadership Council. Cami is admitted to practice before all Louisiana state courts, the United States Court of Appeals for the Fifth Circuit, and the United States District Courts for the Eastern, Middle, and Western Districts of Louisiana.

Cami spent two years as a research scientist in the Chronobiology Department at Massachusetts General Hospital in Boston, Massachusetts. During law school she was elected Vice President of the Student Bar Association and was a member of the Tulane Law School Inn of Court.

Cami has successfully completed the International Association of Defense Counsel's Trial Academy at Stanford Law School in Palo Alto, California.

Education

Cami received her B.S. (1999) from Tulane University, where she majored in Cellular Biology. She received her J.D. (2004) from Tulane University Law School.

Publications
