

Insurance

Irwin Fritchie represents insurers, risk retention groups, and self-insureds in personal injury and property damage claims arising out of construction, industrial, premises, business, maritime, trucking, and vehicular accidents. We advise and defend insurers in coverage litigation, direct action cases, and subrogation actions.

We help our clients make the most cost-effective decisions at the earliest possible moment and employ advanced technology to keep transactional costs to a minimum while still thoroughly preparing for trial.

John Sinnott Discusses Insurance Coverage Options for Cannabis Operations with Law360

During this interview, Sinnott discusses differences appetites for the legalization of recreational and medical cannabis on both the state and federal levels and how that might impact insurance coverage for cannabis operations.
