John Sinnott Discusses Insurance Coverage Options for Cannabis

Article

LAW360 8.29.2023

In a recent article by Law360, Irwin Fritchie Partner, John Sinnott, discusses how the different approaches to state and federal cannabis legislation may impact insurance coverage for cannabis operations with Law360 reporter, Shane Dilworth. During the interview, Sinnott mentions how the appetite for the legalization of recreational and medical cannabis may be growing amongst the public and within state governments, the federal government may be a different story.
